

Diego Dimitroff Petcoff

Full Stack Developer

Hello! I am a Full Stack developer, I have the ability to manage English to speak, read and work. I am a versatile person and I can adapt easily and quickly to a new work environment. I like learning new technologies and challenges to test myself, improve myself and be better every day

Work Experience

01/04/2023 – Current Portugal

Freelancer Full Stack developer

- Web development for different types of entrepreneurial clients. I generate projects from their design, backend architecture and modularization of the database, some examples: Zuca Arq, Schools Apis, etc
