Diego Dimitroff Petcoff

Full Stack Developer

Hello! I'm Diego, a hardworking individual who strives to improve every day. Passionate about programming and eager to grow as a professional, I enjoy both the good experiences and the challenges, using them as opportunities to learn. I believe that a growing company can only find great talent by giving people a chance. I hope you find my profile interesting!

Work Experience

01/04/2023 – Current

FREELANCE - Full Stack developer
- I develop websites and apps for various entrepreneurial clients, leading projects from design, frontend to backend architecture and database modularization. Some examples include Zuca Arq, Schools Apis, indire.pt, among others.
- Additionally, I manage meetings with clients to understand their needs and offer solutions that fit their specific requirements.

13/09/2022 – 15/03/2023 / / 14/08/2023 - 25/11/2023

NO COUNTRY TECH - Full Stack developer
- Internship completed in Argentina, where I participated in several projects, including serving as Team Leader. I worked as a full-stack developer using the MERN stack.

30/06/2021 – 28/09/2021 Stockholm, Sweden

AUMLA - Data Analysis
- Analyzed user behavior using Google Analytics tool, studying user interests based on demographics such as age, gender, occupation, and location.

Education History
First and foremost, I am self-taught.

🎓 April 2024 - **Software Architecture: Patterns For Developers** - Linkedin Learning -

🎓 April 2024 - **Microservices Foundations** - Linkedin Learning -

🎓 March 2023 - **Basic level certification of JavaScript programming language** OPEN BOOTCAMP - Spain - *Website: coderhouse.com*
Certificate https://www.coderhouse.es/certificados/633a35ac4e4cb8000e82e2b4

🎓 07/03/2022 – 07/10/2022 - **Backend Programming** Argentina
Website: coderhouse.com
Certificate: https://www.coderhouse.es/certificados/633a35ac4e4cb8000e82e2b4

🎓 27/02/2022 – 28/04/2022 - **Introduction to Programming** Informatorio Gobierno de la provincia del Chaco - Argentina
